

ALPL Oral History Numbering Protocol

FM-A-L-2007-001.01

Numeric What it represents

- FM** **First two/three letters:** Designates the specific project; ex – FM for Family Memories project. ***Additional letter:** Indicates a sub-category within a project heading.*
- A-L** **Second series of letters:** (**V**=Video or **A**=Audio) & (**L**=ALPL project or **D**=Donated)
- 2007-** **First four digits:** Year in which an interview was conducted.
- 001** **Next three digits:** Sequential number of interviews accessioned that year, regardless of project or source.
- .01** **Number after decimal:** Specific interview, when a series of interviews are conducted with same interviewee. All interviews in the series will use the year in which the first interview was conducted.

(Optional: a number after a second decimal may designate that an interview is split into multiple parts, with the intention of rejoining them later)

Interview numbers will be assigned at the time the first interview in a series is completed and processing begins.
